Support for Victims of Philippine Super Typhoon Haiyan (aka Yolanda)

Kanlungan (www.kanlungan.org.uk) would like to appeal to the Filipino community in the UK as well the British public to support ongoing emergency response and evacuation campaigns in the Philippines.

All proceeds will be donated to [Rural Missionaries Philippines, RMP](http://www.ruralmissionariesphilippines.org) a non-government organisation very active in disaster response campaigns on the ground. You can check their relief and disaster response operations on <https://www.facebook.com/rmpnmr.inc?fref=ts>.
